FREE FUND SPAY/NEUTER ASSISTANCE APPLICATION

The Free Fund was established to provide financial assistance for the purpose of spaying/neutering to individuals who are feeding and providing shelter for 6 or more outside cats. To be considered for financial assistance, individuals must meet and agree to **ALL** of the following conditions:

1. A resident of Greene County in the state of Pennsylvania.
2. Currently feeding and providing shelter for 6 or more outside cats.
3. Make a commitment to continue to provide food and shelter.
4. Consent to an on-site visit by a representative of Catnip Acres.
5. Provide proof of household income.
6. Make a lasting commitment to ongoing population management in your colony.
5. Complete and sign the following application.

Print Name: _____

Address: _____

Home Phone: _____ Cell Phone: _____

Email: _____

Current monthly household income total (include proof and write amount here) \$ _____

How many in your household? _____ Adults _____ Children _____

Location of colony: _____

Number of cats: _____

Signed: _____ date _____

Please note that assistance is based on funds availability. Further, assistance is limited to covering the cost of spay/neuter, rabies vaccine, FVRCP vaccine, flea treatment, and ear mite treatment. All services must be performed at Catnip Acres. An appointment is necessary and a representative will contact you to schedule an appointment. Failure to keep a scheduled appointment makes you ineligible for further assistance.
